About Me

Hello!

My name is Kim Black, but most people in Alamance County, NC know me as "Miss Kim". I have taught tap and ballet for 22 years, mostly to the younger dancers. I am just like every other busy working mom... four children, PTA mom, Sunday school teacher, and taxi car driver for the kids. I know how busy parents are these days, by offering dance and creative movement classes during the day I hope to enable families to enjoy more time together in the evening. Time is precious, and I want to give your child my time during the day so you can give them your time in the evening.

Sincerely,
Miss Kim

Classes

Creative Movement

Creative movement is a wonderful way for children to explore movement through the use of music. Children will be encouraged to use their imagination while developing their gross motor skills, channeling excess energy, and building their self confidence. Boys Love this Class! I should know.....I am a Mommy to three sons!

Tap and Ballet

Children will learn basic tap and ballet technique. My approach to teaching young dancers is through imagination. I love using imagination, creating stories, and watching young children fall in love with learning to dance.

Please note: Tap and Ballet dancers are not required to purchase any type of dancewear or shoes. Simple hard sole, closed toed shoes are fine. At the end of a session I will have a parent showcase to show off your children.
